

4WD VEHICLE ROUTES AND SERVICES

Characteristics of the routes: Routes of all the levels with few stretches on asphalt. Our Off Road Driving routes include wading across rivers, climbing muddy inclines and amazing slopes at the time you enjoy the nature, landscapes, popular and ecclesiastical architecture and of course, Galician gastronomy.

There are special routes for the most adventurous and alternative ways in the most dangerous stretches. The Off Road Driving includes the use of the road map, permissions, insurance and rescue assistance. There will be one instructor for a maximum of 10 all-terrain cars.
